***We're in business for the Community***

### **KEYS TO SUCCESS**

#### **Diverse Programs**

Creating diverse programs that have the capability of skating year round through camps, clinics, and tryouts. Variety in programming of ice rental such as figure skating, youth hockey (girl's and boy's), adult hockey (men's and women's), junior hockey, high school hockey, instructional and speed skating.

#### **Figure Skating**

Developing a strong Figure Skating club will be essential. Our goal is to have a club that will be inclusive of Learn to Skate (LTS), Freestyle, Dance, Synchronized skating, summer sessions, camps, and Theatre on Ice.

#### **Junior Hockey**

Junior hockey ice rental starts August-April with daily practice (off peak hours) and weekend games. Junior programs also provide opportunities for summer leagues and pre-season tournaments. They provide a specialized opportunity for competitive hockey for the advanced player.

#### **Comprehensive Program Offerings**

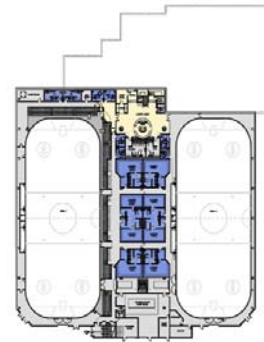

HYCC should strive to provide offerings for every member of the community (youth to senior) at every level.

#### **Teamwork and Collaboration**

Collaboration and teamwork between HYCC employees and our partners and patrons is essential.

#### **Providing Educational Opportunities**

To local high schools and Community College students to provide community collaboration while offsetting employee costs.

## **CAPE COD & THE ISLANDS**

Cape Cod comprises 15 towns, along with the islands of Nantucket and Martha's Vineyard. Our region offers sports event planners and promoters an extraordinary array of venues for events, in addition to thousands of hotel and motel rooms to accommodate groups and tournaments of all sizes and budgets.

The Cape Cod Sports Committee is here to help make your event a success. Cape Cod offers a tremendous potential audience for sports events, and our residents consistently demonstrate impressive support for sports at every level.

Cape Cod is not only a destination for people who want to experience scenic beaches and wonderful landscapes. It also has its own "Fields of Dreams!" The Cape Cod Baseball League celebrates its 125th summer campaign in 2009 and continues to provide fans with competitive baseball entertainment, with the country's top college players displaying multi-dimensional skills in their purest form.

The current 10-team Cape League originated in 1885 with individual town teams, reorganized into the Cape Cod Baseball League in 1923 with teams from Chatham, Falmouth, Hyannis & Osterville, and is now the premier collegiate baseball summer league in the country. With over 1,000 alumni performing at all levels of professional baseball, a record total 212 former Cape Leaguers populated major league rosters in 2007. Seeing your favorite team is never a problem, with teams now located in Bourne, Brewster, Chatham, Cotuit, Falmouth, Harwich, Hyannis, Orleans, Wareham and Yarmouth-Dennis.

Cape Cod hosts the nation's largest athletic conference, the Eastern College Athletic Conference (with 321 member colleges), and a professional soccer team, the Cape Cod Crusaders.

Cape Cod has also been known to host more traditional sporting events, including the New England Intercollegiate Golf Championship, the annual Figawi Sailboat Race, ECAC Women's Soccer, the adidas Tennis Smash, Falmouth Road Race, and water competitions, including King of the Cape Wind Surfing and the American Power Boat Races.
